## Lodge Meeting Time 7:00 & Family Dinners

At the December 8<sup>th</sup> Stated Meeting of Belleview Lodge #95, the craft voted to have dinner at 7:00 p.m. prior to our meetings and to include families at our meals. These changes result in the following:

- 1) Initially, we are inviting our families to join us for dinner on only the **SECOND** meeting each month beginning on February 23. Depending on response and logistics, we may expand to both monthly meetings later.
- 2) Because of the impact on meal preparation, the Junior Warden (and his spouse, Dee) request you make telephone reservations for the **family** meals. Starting with the first Family Dinner on Feb. 23<sup>rd</sup>, please call 245-0046 and let us know how many from your family will join us for dinner.
- 3) We hope to increase participation in our meetings after dinner but, even if you cannot stay for the meeting, come share a meal with your brothers and their families!
- 4) No more hungry stomach growls during the meetings!

## Lodge Christmas Party and Dinner

We had a great time at the Belleview Lodge Christmas Party! Everyone enjoyed the Christmas exchange of presents and many presents went through the maximum number of "exchanges". If you missed this one, plan to come next year; it is a lot of fun!
